 $3\frac{1}{2}$ inch.

Aluminium Fly and Spinning Reels

No. 3665½. Aluminium Fly Reel with open drum and spindle. The central screw may be removed with a coin for cleaning and oiling. Reel is recessed to hold plenty of backing. Finished bronze.

Size ... 3 inch.
Price ... 20/- each.

No. 3670. Aluminium General Spinning Reel, finished Bronze. This Reel is accurately made and beautifully finished. The rim of the drum is exposed in its lower half for hand braking, and has an optional check and adjustable tension for casting any weight. The spool can be removed quickly from the cage by means of a neat "Take-off." The centre-pin gives very smooth and free running.

Size ... 3½ 4 inch.
Price ... 35/- 47/6 each.

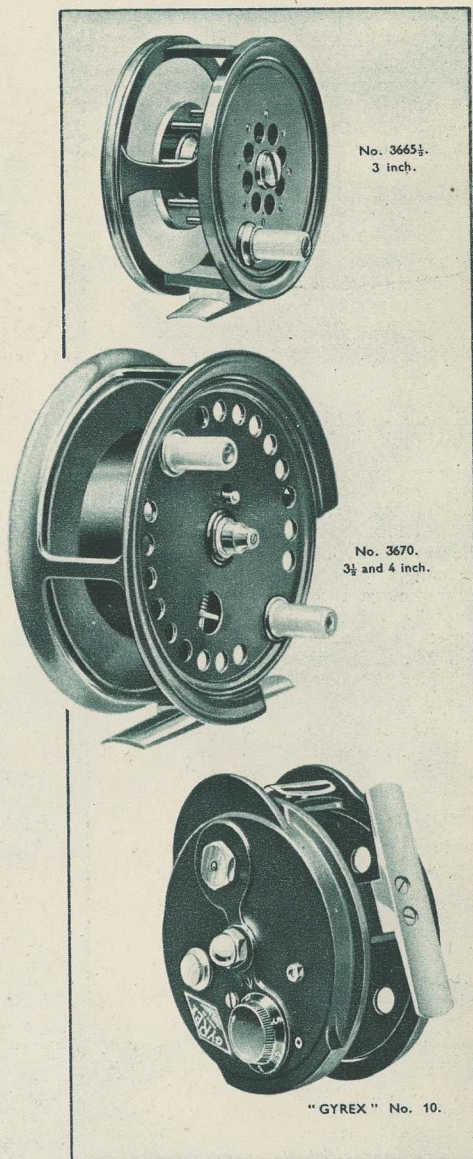

"GYREX" ALUMINIUM ANTI-BACK-LASH REELS.

No. 10. A mechanically perfect Casting Reel embodying every essential feature and refinement. The automatic line tension braking action is readily adjusted by means of a graduated knob which can be set in relation to weight of bait. In action the bait is cast in the ordinary way, the reel automatically providing full automatic control with any bait from ¾ oz. to 4 ozs. in weight.

Size ... 3½ inch.
Line capacity ... 100-120 yards.
Price ... 20/- each.

No. 12. "Gyrex" Reel, embodying all the features of No. 10 "Gyrex" Reel with the addition of a finger control, and the mechanism is enlarged to suit the larger and heavier reel.

Size ... 4 inch.
Price ... 35/- each.

"GYREX" TROUT REELS

"GYREX" ALUMINIUM TROUT REELS.

No. 20. "Gyrex" Aluminium Trout Reel; represents exceptional value with excellent quality. Drum and cage is of special aluminium alloy for strength. Durable dead black finish, with nickel-plated fittings. With fixed check.

Size ... 3 inch.
Price ... 10/6 each.

No. 21. As No. 20 "Gyrex" Reel, with optional check.

Size ... 3 inch.
Approx. weight ... 5½ ozs.
Price ... 11/6 each.

"GYREX" BAKELITE TROUT REELS.

No. 22. "Gyrex" Bakelite Trout Reel, with fixed check, is undoubtedly the most popular Fly Reel ever produced. Made of Brown Bakelite, reinforced with fabric, combining strength with a pleasing appearance; at the same time it is beautifully balanced and light in weight. Drum is Bakelite fitted with aluminium back flange; cage is one-piece Bakelite with scoop attached by rivets.

Size ... 3 inch.
Approx. weight ... 4 ozs.
Price ... 9/6 each.

LANDING NETS.

No. 3537. 14-inch Oil Dressed Net, on steel tubular pear-shaped ring to screw off. Polished wood handle, with coat clip.

Price 8/6 each.

COLLAPSIBLE LANDING NETS.

No. 3556. Folding Wading Net with collapsing duralumin sides. Leather thong across top, automatically locks when thrown out. Fitted with best quality black net, 30-inch black wood handle with nickel-plated fittings, belt clip. In Bag.

Length extended 39½ inch.
Length folded ... 27 inch.
Price ... 27/6 each.
