PALAKONA SPLIT-BAMBOO

Designed for the dry fly enthusiast or small nymph fisherman, the rods are ideal for spring creeks and mountain streams. Each rod has a continuous cork handle fitted with a "W" reel housing with slide band. Two tops and leather case are standard features. Available for rods up to 9' in length and up to #6 line size, you may choose the ideal specification for your rod including: Rod length, line size and number of sections • Length and shape of cork handle • Type of nickel silver or aluminium reel fitting • Colours of tyings and tippings • Number of spare tops (one or two) • Markings and inscription on your rod. *Now you can make your dreams come true.*
